**ORDER :-**

The Ministry of Home Affairs, Government of India, has drawn up a National Cyclone Risk Mitigation Project (NCRMP) to be implemented in 13 coastal and island States/UTs with the World Bank financial assistance. The Andhra Pradesh is one among the thirteen states, where the Project is to be implemented. One of the project elements is to support States/UTs to identify and implement high priority activities for cyclone risk mitigation i.e. construction of cyclone shelters, shelterbelt plantation, preservation/ regeneration of mangrove forests, construction of embankments and establishment of missing road links/culverts/ bridges etc. and commissioning of technical assistance/studies to sustain these initiatives, besides strengthening coastal zone management framework in the States/UTs.

2. In the reference 1<sup>st</sup> read above, the NDMA has requested the State Government to create a Project Implementation Unit (PIU) in Revenue (DM) Department, in order to monitor the progress of National Cyclone Risk Mitigation Project (NCRMP) works, to keep liaison with various departments/NDMA/World Bank etc, and coordinate on all aspects with State PIU and support sector experts, procurement, financial management and others.
3. The Government have examined the matter and felt that it is essential to establish a PIU with certain supporting posts for effective implementation of the National Cyclone Risk Mitigation Project (NCRMP).
4. In the G.O. 2<sup>nd</sup> read above, the Finance (SMPG) Dept. have accorded sanction for creation of the following posts and also permitted to outsource certain services as shown below for establishment of the Project Implementation Unit for effective delivery of services by the Project Implementation Unit.
